TRAVELER GUIDELINE

Meeting at the Airport - All participants of East European & Mediterranean Meeting for Cerebral Palsy & Development Medicine conference who are in transfer list or have ordered a transfer from Airport to the hotel will be picked-up at the Zvartnots International Airport of Yerevan.

Those participants, who should get their visas upon arrival, will need to go to VISA area which will appear in front of you after you get downstairs to the passport control zone. Please note that you will need to get first your visa, and then pass the passport control.

After passport control you will get to the luggage reclaim zone.

After getting your luggage you will move to Exit.

When coming out of the Exit to the meeting zone, you should look for the **following red sign:**

The representatives of **Just Travel** will ask you to find your name in the meeting list and sign, in order to assure that you were met successfully.

Then you will be accompanied to the Coach either for group transfer, or for individual transfer. In case of group transfers you will need to wait in the Coach until all your colleagues come out from the Passport control zone.

In case you cannot find the red sign, you should go to the Airport Information desk and wait for Just Travel representative there. All our representatives will be with red EEMCPDM 2020 badges for easy recognition.

In case our representative doesn't appear within 15 minutes, you can call to the following mobile numbers (Viber and WhatsApp available):

+37491412041 Ashot Soghomonyan,

If your name is not in the transfer list (i.e. there is no transfer ordered for you, JUST TRAVEL representatives may refuse to conduct your transfer to the hotel. Price for 1 way transfer is 20 EUR per car of 3 people, so you can also order your transfer on place from JUST TRAVEL representatives).
